# Christmas Ornament Number Sequencing Activity

Thank you for downloading this FREE resource at ChildCareEd! This activity can be printed out in either color or black/white. This activity can be used in a number recognition and sequencing game for an individual, pair, or small group activity. For durability, print and then laminate before cutting out the cards.

## Materials:

1. Christmas ornament numbers (printed, cut out, and laminated)
2. Dice (optional)

## Directions:

1. (Sequencing) Children will sequence the numbers from 1 - 20. Advanced learners can be supported by using numbers bigger than 20.
2. (Number recognition) Children will roll the dice and then find the corresponding number.

Celebrate with this engaging season-themed number recognition and sequencing activity!
