# Snowglobe Roll & Cover

Thank you for downloading this FREE resource at ChildCareEd! This is a fun activity that practices fine-motor skills and number recognition.

## Materials:

- Snowglobe activity
- White pompoms
- Dice

## Directions:

- Children will roll the dice and cover the number they roll with a pompom. When they have covered all numbers, they finish the activity.

Tip: Print two copies and challenge children who will finish first!
